SUMMARY

Hi, I am Vagala Ganesh and I specialize in web development. I have gained knowledge in a variety of programming languages, including C, C++, Java, HTML, CSS, JavaScript. Additionally, I have experience working with frameworks such as Bootstrap and JQuery, which have allowed me to create dynamic and visually appealing web applications. As a competitive coder, I am constantly looking for ways to improve my skills and stay up-to-date with the latest technologies. I am currently working to refine my knowledge in MERN stack development, which I believe are crucial for creating efficient and effective code. With my extensive knowledge and passion for coding, I am confident that I can make valuable contributions to any team.

CAREER OBJECTIVE

Seeking a challenging position in a reputed organization where I can learn new skills, expand my knowledge, and leverage my learnings. To get an opportunity where I can make the best of my potential and contribute to the organization's growth.
